

GIRLS RED TEAM SONGS

ALMA MATER

(TUNE: DAYS OF WINE & ROSES)

The days will turn to ashes
 Burning memories stay within our hearts
 Through the lonely nights of winter's
 first embrace
 We seek Saginaw's gentle face
 In all her mystic grace.

Our gladness turns to sorrow
 As the summer ends some return again
 To the camp that brought us happiness &
 tears
 We'll remember Saginaw through our years.
 (Repeat this verse again.)

FIGHT SONG

(TUNE: SHOELISS JOE...DAMN YANKEE)

What is the team that conquers all?
 ARMY RED OF SAG'NAW
 Thunder is our battle call
 ARMY RED OF SAG'NAW

Army might so strong the Blue won't last
 for long
 Our pep and skill will raise the score
 GO RED GO!
 The Navy crew will win no more
 GO RED GO!

We'll fight for Red
 Do right for Red
 We won't give up 'til Navy's dead.
 GO GO GO GO

Who will cause the Navy's fall
 Army Red of Sag'naw
 Victory nigh as we march thru
 Army Red will Beat the Blue!

FRIENDSHIP SONG

(TUNE: THREE COINS IN THE FOUNTAIN)

Friends were never forgotten
 Though we fought on separate teams.
 Army and Navy united
 Spirit of camp at last supreme.

Now that Color War is done
 Together we will live as one.

Camp draws to a closing
 Though in our heart she'll never die.
 We'll have memories forever
 That will keep our camp alive.

Saginaw, here's to thee, Saginaw.

CHEER

(TUNE: HONEY BABE)

Listen to our battle cry of
 ARMY VICT'RY
 It's the cry of do or die
 ARMY VICT'RY
 Yes, we've got a tale to tell
 And we're here to tell it well
 Army beat Navy again.
 On to the battlefield we go
 To tell the Navy tale of woe.

It was on that fateful morn
 Army slew them
 Navy ranks were truly torn
 Marched right thru them.
 It was there for all to see
 The dashing Red Team victory.
 Army beat Navy again.
 Out on the field our banner flew
 As we yelled BEST THE BLUE!

BLUE TEAM SONGS

Sept 1944

ALMA MATER
(Tune: FRIENDLY PERSUASION)

Saginaw, home where each day is a living
dream
Together we've found what happiness means
Laughter our password and spirit our
theme
Our Saginaw.

Red & Blue once lived as two
But now together
This the way it was meant to be
Now and forever.

Friends will part, but in our hearts
they will always be
We'll see their faces in each memory
We'll shed a tear which is our way to say
We're thankful for our Saginaw.

FIGHT SONG
(TUNE: FIND A WHEEL)

Navy Blue, the team that marches thru
Smashing Army Red with our fighting crew.
With spirit high, we shout our battle cry
As we forge on to our victory.

We will conquer e'er the land or sea,
Army Red will fear our name
With Blue Team skill and loyalty
This Color War is ours to claim.

With sportsmanship our team will march to
fame
Proudly moving onward as a fighting team
Anchors away, Blue victory will reign
Holding high the honor of our name.

FIGHT BLUE FIGHT!

CHEER
(TUNE: WHO'S GOT THE PAIN
DAMN YANKEES)

Blue stood tall with crew all assembled
Up went our battle cry of FIGHT!
Raising the flag our might it resembled
Army team in sight.

Army stood with weapon in hand,
But
Navy showed our might on land.
Navy crew was strong and well-planned
Lowered the boom as we said---FIGHT!

Army team no longer in sight.

Soooo...This is our story, now you have
heard it
The story of Navy and our might.
Smashing the foes until they surrendered
Navy Team GO ! FIGHT!

FRIENDSHIP SONG
(TUNE: FINLANDIA)

Oh, hear our song, girls of both Red &
Blue Team.

It is a song of everlasting hope
That we return
As sisters, live together
Now that the end of Color War has come.
The fight we loved,
But now it is behind us.
Forget the war and let us live as One.
