

1965 BLUE TEAM COLOR WAR SONGS

FIGHT

(Tune: Fight On Pennsylvania 1,4
Buckle Down Winssocki 2,3)

Fight on mighty Blue Team,
We are marching down the field,
Strive on slashing Blue Knights
Show the Red we'll never yield,
Thundering from the hilltops,
Roaring from the dells,
Courage, honor, and vic'try,
Are yours to tell.

With our sabers slashing in the sun,
Vikings know that Red defeat has just
begun.

Hold your heads up high,
Let your banners fly
Shout the Blue Team praises
ever upward to the sky.

On the ballfields, we will fight.
Charge on Blue Team,
show your battle might.

We will crush the Red,
Fearless Blue they'll dread,
Vikings' lack of spirit plainly
shows that they are dead.

Stand tall stalwart Blue men,
We will watch the Vikings fall.
Fight for right and glory,
As the Blue Team conquers all.
Spirit is our byword,
Vic'try is our call.
Fight, fight, fight mighty
Blue Team Fight,

Fight on for Blue!.....FIGHT!!!!

Alma Mater

(Tune: Blowin' In The Wind and This Land Is Your Land)

Throughout the years our memories have
grown,
Of wonderful days spent with you,
Our spirit rolls on as the Elk flows along
And grows with our friends ever true.
Sportsmanship is the key to our fun,
On fields and in waters so blue.
These dear thoughts of you,
Forever in our hearts,
We'll cherish though we be apart.

FRIENDSHIP

(Tune: Michael Row The Boat Ashore 1,2,5,6
Lemmon Tree 3,4)

Battle days went flying by
Both teams roaring,
Red and Blue shall light the sky,
Banners soaring.

Sportsmanship, it conquered all,
Ever onward,
Neither team would let it fall
Striving forward.

We have fought a long hard battle
In the days of color war
Friendships made will last forever,
We'll be friends forever more.

Sag'naw spirit is within us
In our hearts it will remain.
We'll remember times we've spent here
Till we all come back again.

Red and Blue, we'll always praise,
War is over.
Memories of our Sag'naw days,
Friends forever.

Red and Blue will now join hands,
War is over,
And proclaim throughout the land,
Friends forever.

For our dear Sag'naw
We'll e're be with you
Through the long winter
Your spirit warms us.
Our hearts are longing
To be with you again
Sag'naw, we'll always dream of you.

Campfires shimmering in the still night
Sparks glowing up to the sky.
The friends that we've made
Will ever be so true,
For camp Saginaw, we love you.
