

CHEER (TUNE: OOM PAH PAH)

There are many stories
 About the red team glories,
 And feats of Mighty Taurus,
 The fearless Red bull.
 With each win the red team scores
 In this crucial color war
 Closer draws the obvious Red
 VICTORY!

Go Red team, fight Red team,
 Hear our proud cheer.
 Charge Red team, win Red team,
 Victory is near.
 Blue Leo staggers and falls back
 in fear
 Red team has won the fray!

Taurus prances boastfully
 Round the saddened Lions team
 Taunting them and teasing them
 unmercifully.....

"You have fought courageously,
 But you are no match for me!
 Blue team step aside,
 Mighty Taurus is here!"

Go Red team, Fight Red team,
 Hear our proud cheer,
 Charge Red team, win Red team,
 Victory is near.
 Blue Leo staggers and falls back
 in fear,
 RED TEAM HAS WON THE FRAY!!

(Last chorus done in rounds)

FRIENDSHIP(TUNE: MISTY)

Days have passed,
 Still the love we have for one
 another lasts.
 Through the war though we
 fought on separate
 teams
 Our friends reign supreme,
 Joined together in deep loyalty

Saginaw
 Through the years we shall look
 back on memories
 And remember the joy and happi-
 ness
 We lived here with you
 And forever our hearts will
 stay true.

We have shown that we'll
 never forget
 All our friends at Camp Sagnaw
 We've met
 For our hopes of a beautiful
 dream
 Have been answered in you
 Saginaw.

Now the end
 Of a summer comes, but still we
 have our friends
 To continue till life itself
 is gone
 And no longer here
 Saginaw, eternally dear.

FIGHT

Marching on to meet the foe,
 Lions forge to war.
 All who dare oppose us
 Soon will fight no more.
 With our thunderous roar of might
 And our strenght so bold,
 We will conquer Taurus team
 And show the force we hold.
 Leo Lions pounce upon Taurus
 And for all to see
 Leave our mark of triumph
 Scar of victory!

Surging forth to seize the bull
 With our strenth displayed
 We will start to conquer, with
 our banners raised.
 Though bulls fight fearlessly
 They will meet defeat
 Knowing they have met their doom
 Reds passively retreat.
 Sportsmanship and spirit gудie us
 As we stalk our prey
 Onward into battle,
 This our VICT'RY DAY!!

ALMA MATER (TUNE: COME TO ME
 BEND TO ME
 &
 TAMMY)

Because we love thee,
 We'll ne'er forget thee,
 Our hearts within us are
 burning.
 Your star lit heavens,
 Your moon swept valleys,
 Instill within us deep yearning
 for...
 Saginaw's friendly face
 Smiling on you
 Bringing fond mem'ries
 Which last our lives through.
 Your waving trees,
 Whispering breeze,
 Tell of days past
 Our thoughts of you Saginaw
 Always will last.
 A-n-d....
 In the fall,
 We'll recall
 Mem'ries we hold
 Friendships true
 Remain with you
 Through winter's cold.
 Like a star from afar
 Gleaming above
 Our dreams of you
 Come shining through
 Showing our love.
 As the days fly by
 We realize soon we must go
 The thoughts of you Saginaw
 Will linger on we know.
 So forever we'll fervently
 Whisper a prayer, for
 Saginaw, Saginaw,
 Long will we care.

CHEER (TUNE: SOMETHIN'S COMING)

Is it true?
 Yes It's true!
 The mighty blue comes crashing through.

Hear our cheers,
 Day and night!
 Leo team has hit their height...

Blue Victory
 Strongest of the Zodiac
 Blue attacks
 Red falls back
 Leo has won.
 Red runs to cover
 After they've discovered
 That hope has vanished
 They're doomed.

A
 As we're marching on to fame
 Sportsmanship will light our name
 Taurus will fall.

Blue team strike with sharpened
 claws
 Reds withdraw
 in great awe
 They meet defeat

Skill and might that
 all can see
 As blue leaps to victory
 Leo will shine....
 Leo will shine....
 Leo will shine.... ATTACK!!

FRIENDSHIP (MAY EACH DAY)

May the red and the blue
 be united.
 And may all of our
 friends be renewed
 For the war that we fought
 Now is over,
 And the sisters of Saginaw
 stay true.

The days turn to weeks
 And the weeks into months
 There'll be tears in
 our eyes
 As we say last good-byes.

But one thing we
 pray
 That each of us may
 Return to the camp of
 our dreams,
 Saginaw.

And to red team our
 Strongest emotions
 On this day that we
 blend into one.
 Now combined showing
 Deepest emotions
 For the camp that has
 Shown us much love.
