

1966 Girls Red Robins

Red Robin Fight – 1966 (Pass me by)

Fight Red Robin

Massacre your foe

Now we will unfold the story to be told

Of how the red robin beat the Batman team

And we'll show our strength to be supreme

And then we'll strive to victory pushing back the foe

Forever we'll be true to red

And tell the whole blue team that the fighting's just begun

And it will be zap bang pow and then we'll win

Red will win we'll never give in

And it'll be zap bang pow and then we've won

RED AND BLUE SONGS - 1966

GIRLS BLUE TEAM

FIGHT - WITH A LITTLE BIT OF LUCK

Blue team marches on to victory
Our fame will rise for all the world
to see

And we will gather all our forces to the
fray

We'll beat Red Robins
Yes we'll smash Red Robins
We will show them,
Blue will win them today

With our spirit (Fight, blue, fight)
You can hear it (" " ")
We will shout and fight and win this
color war

REPEAT 2 lines of chorus
For the Blue team is worth fighting for

The Batmen join in song to conquer Red
And through the fight our team
will be ahead

We'll beat Red Robins
Yes we'll smash Red Robins
We will show them Blue will win
them today

CHORUS

FRIENDSHIP - DEAR HEART

Friendships will always remain
Deep in our hearts
And though we may go our own ways
The memories still linger on

We fought for blue,
Yet friends remain true
Now joined as one again

As color war comes to an end
Our eyes fill with tears
And Saginaw we'll always know
The love for you will remain

CHEER - I'VE GOT NO STRINGS

We have strength and we have might
We'll show the Robins that we have fight
The Blue Batmen will never yield
As we blast down the field

We've got the courage it takes to win
We'll show the world we don't give in
Surging down to crush the foe
We'll dim the red team's glow

Hi, ho we're gonna show what a great
team we'll be
Robins are mighty slow but faster than
fast are we

We are the best as you can see
There isn't much we couldn't be
So everyone just step aside
As the Batmen race on by

ALMA MATER - SOFTLY AS I LEAVE YOU

Beauty of the rolling hills here
And the trees so green sway in the trees
of summer night

Our Sag'naw
Mem'ries of our camp so dear
Fill our hearts with love that we have
felt throughout the years

For they are dear
Friendships that we've made
Will 'ere remain so strong
No winter cannot dull the fight

Good times bridge across cold seasons
Giving many reasons to return to Saginaw
Year after year
Year after year

To our Saginaw
