

FIGHT SONG

(Tune: M. Pleasant Ever (Cloude))

We are the Red Sharks ever glorious
We always fight with heads held high
and we will always be victorious
We've got the spirit do or die... O O RED SHARKS...
Red Sharks now command the sea
The Blue Whales know that they are through
The mighty red will soar to victory
The Red Sharks will conquer Blue.

The Blue...is through...the sharks are going to win
In Red...Blue's dead...now let the fight begin

For now the red has triumphed on the seas
We have made goldfish of Blue Whales
But we've shown the blue team that we'll never yield
We'll knock the wind out of their sails
So as the color war comes to a close:
The Red Sharks know they can't be stopped
Blue Whales shake when they see the shark's teeth
Red Sharks will come out on top.

VERSE

FRIENDSHIP SONG

(Tune: King's Song)

Red, Red and Blue
Join as one, war is through...
Whales and Sharks row side
Red Sharks no longer bite

Red, Red and Blue
We are friends that will be forever true
Whales and Sharks row side
and show our unity...
In seventy-three.

Red sharks and Blue Whales, 1 1
Red sharks and Blue Whales, 2 2
Red sharks and Blue Whales are one, 3 3
 4 4
 5 5

AIMA MATHE

(Tune: Schenberr, Over the Rainbow)

Sun shines over the green fields,
Children play...
as we long to be near you,
Through each and every day.

sun sets behind the hilltops,
Shining bright...
light and shadows the tree tops
Fading in twilight.

In summer days, we leave our friends
with memories that we have shared
 together...

A bond is formed that will not break
A loyalty no one can shake...
Survives forever,

Summer comes to a close now,
We must go...
and our feeling for Sag'naw
forever will ever grow.

Sharks, Sharks and Whales
Fight no more, love prevails...
Lovers is over at last
All the fighting is past.

Sharks, Sharks and Whales
Share a friendship so strong it never fails
So Red and Blue stand side by side
With brotherhood and pride...
Oh Red, Red and Blue.

(Go back to Red sharks and Blue
Sharks and repeat twice,
after each time)

BLUE WHALES COLOR WAR SONGS: 1973

FIGHT SONG
(tune: Oklahoma)

Blue Whales knock the red sharks off the ocean floor,
With strength and drive
The Blue Whales dive
As the nets we're tops forever more,
Mighty Blue Whales send the Red Sharks bumping to land
So the sharks will see
Blue victory
The Whales clearly have the upper hand.
The Whales have got quite a team
The Blue team that we have is supreme...

When we say... BLUE
The Sharks know that they are... THROUGH

Because the Blue team put red in a bad spin
The Blue Whales will win, this year, this Color War,
Mighty Blue Whales... will win.

FIGHT BLUE

FRIENDSHIP SONG
(tune: sang over your head, Tom Hooley)

Whales and Sharks were fighting
Throughout this color war,
Each team used every tactic
To try to boost its score...
Well Red Sharks

CHORUS
Now that the war is over
Both teams must leave the sea
And work on land together
In peace and harmony.

ALMA MATER
(tune: Never, Never Land)

For many days at summer's home
Where loveliness abounds
A bright sun in the sky
As the Milk goes flowing by
Here at Saginaw

At night the sky lights up ~~with~~ ^{with} stars
As darkness fills the air
Then daybreak rushes in
As another day begins
Here at Saginaw

Approaching is the day we leave here
We face departure with regret
Because we've had a special summer
We will never, never forget.

We've found a place where we belong
And friends for whom we care
So now we pledge our hearts
That we each will do our parts
Together, to serve our Saginaw.

Throughout every contest
Both teams sought different ends
But now we're reunited
Once more the best of friends...
Well Red Sharks

REPEAT CHORUS

Many different battles
Make this fight unique
But friendships last forever
Color War just one week...
Well Red Sharks

END WITH CHORUS
