## RED AND BLUE - 1963

FIGHT SONG (Strike up the Band)

See us Red Team girls - Blaze our Trail . to win

As we sing our song - victory begins Banners raised on high - spirit reigns supreme

As Blue Knights bow down before our team Watch the Red Team march - as the Blues take shield

See these Bragons go - we'll never yield Flaming Dragons have passed this way See the fields where the Blue team lay Mighty Red Team comes crashing through Now here's to you

(Maryland Fight Song)
Red Team with spirits Blazing
Forge on to Victory
For we have met our foe and conquered it
Blue will fall in to our Dragon's Pit
We've done our best now
There is no rest now
'Till we've won this color war DRAGONS
We will win this game to uphold our name
Strive for Victory - FIGHT RED

Red Dragons will win K

CHEER (Rioting in Africa)

The Blue Team girls are after us
With armor and sword
But Red Team girls stand plain in sight
For they fear not the Blue Team Knight
With spirit magnificent
We march unafraid
Our thundering footsteps
Can never be delayed
Red Team undestroyable
The knights we behead
Surging ever forward
VICTORY IS RED

(Never on Sunday)

Now here we are

We are the RED girls

Now striving to victory

We'll slash the Blue Knights field

Red Dragon fire now is flaming

and aiming

To burn Blue Team's armor till they yield

As we march on

Victory's in sight

We will use our strength

To crush the brave Blue knight

Now here we stand - Red Team Girls on

high

We will use our strength Be it do or die

LEED TEAM FRIENDSHIP

## YOUNG AND FOOLISH

To our Saginaw
We show our love for thee
Hearts united embrace fond memories
Now the war is ended, we stand as one again
Red and Blue, like friendships ere be true
With our hands clasped, we pledge our love as one
As we stand here, songs echo days of fun
Thankful for each friendship
Laughing as we play
Hoping we will meet again someday.

## AIMA MATER

(An Affair To Remember)
This camp we love holds the memories
Of joys to last thru eternities
It's rolling hills - with the trees so high
Fill our hearts with song which will never die

10 may as Red Team girls we will praise thy name
Far and wide we will spread thy fame
Our hearts stand out - it's for you we fight
In-sweet harmony we will share thy light.

(Make of Our Hands)
As we depart each year
We shall look back with pensive tear
On valleys of green, on hills of gold
As Saginaw's splender to us unfolds
Absence will not change our love for thee
Grant us one wish that we may
Return to you, relive each day
Color wars spirit - Red Team of Blue
Fighting for victory - yet friends remain true
Absence will not change our love for thee

(Once in a While)
For
While we're away,
We'll remember the happiness that we've known
The spirit we have shown
To our Saginaw
And now Red and Blue
We have all come to be a part of you
With friends we hold so true
At our Saginaw

our minds grow strong hear in harmony, are quided wisely and lovingly. Camp Saginar we'll remember.
