

CAMP SAGINAW BOYS - 1955

FIGHT SONG ** RED TEAM

(Melody - "There's a Coach Coming In" - From "Paint Your Wagon")

There's a Team coming in
If you listen you can hear
It a Thundering over the hill,
And the Roar that you hear
Is as good to your ear
As the call of the wild wipper-will.

There's a team coming in
You can feel it getting near
All at once as it bursts into view
 Bursts into view
And it looks to your eye
With its banners held up high
Like the RED team surging through.

For its bringing the team that has spirit
And its carrying hearts that are true,
And its coming with men who are willing,
And this evening we're sure to beat Blue.

There's a team coming in
Now it's marching in the clear
And the sound of it grows to a din.

Now we know we can't lose! NO
 We know we can't lose.
Now we're chasing the blues! YES
 we're chasing the blues.

There's a team coming in.
There's a team coming, and it's in.

(Second Verse) There's a team gonna win,
If you listen you can hear
It a Thundering over the hill,
And the roar that you hear
Is as good to your ear as the call of the wild wipper-will.

There's a team gonna win
 You can feel it getting near
All at once as it bursts into view- bursts into view.
And it looks to your eye
With its banners held up high
Like the red team surging through.

For it's bringing the team that has spirit
And it's carrying hearts that are true
And its coming with men who are willing
And this evening we're sure to beat blue.

There's a team gonna win
Now it's marching in the clear
And the sound of it grows to a din.

Now we know we can't lose! NO
 We know we can't lose.
Now we're chasing the blues! YES
 We're chasing the blues.

There's a team coming in!
There's a thea gonna win!
There's a team winning, and it's RED!

ALMA MATER * RED TEAM

(From song "Plain We Are" - in musical "Plain & Fancy")

As the dawn is breaking,
And the darkness clears,
There comes forth the echoes,
Lasting through the years.

As the camp awakens
To the sun's bright ray,
You can hear soft whispers,
This is what they say.

Chorus

Sa-gi-naw, as we recall
Your memories enduring in our hearts
Sky so blue, with friends so true
From thee we never want to part.
Camp days symbolize a time of joy,
The creeds we've learned, good sportsmanship
for every girl and boy.
Sag-gi-naw, we owe to thee
Our undying loyalty
You'll always linger in our memories.

RED TEAM CHEER

Team-

Gather round everybody and be our
guest at a session of the Red team's
Bible Class.

Today the Preacher's gonna set us
straight on how to beat the Blue
and reach the Golden Gate.

Preacher:

Now all Red children listen to me
and I'll tell you my secret to victory.
To reach the top just held this tip-
Use lots of fight plus sportsmanship.

Team:

We're a righteous team -by the way we act
We're a spirited team - cause you know we never slack
We've got hustle, drive, and talent too-
With all of that we must beat the Blue

We're gonna fight, fight, fight for Red!
We're gonna fight, fight, fight, for Red !
We'll never stop or hesitate
until we reach the Golden Gate.

CAMP SAGINAW - BOYS - 1955

BLUE TEAM FIGHT SONG

(To the tune of The Baltimore Colts Fighting Song)

Fight on you mighty BLUE team,
Marching on to victory,
Straight, through and right on the beam,
Show the Red's your loyalty,

We have the will and the might,
We have the guts and the fight,

Our fortress grows stronger,
Marching to victory.

BLUE team will be the big gun,
To be on top is in our sights,
Red team will be on the run,
Vic'try is our Bill of Rights,

Our men will give out their best,
Fighting on meeting the test,

The BLUE team is fighting,
Fighting for victory!

FIGHT!

BLUE TEAM ALMA MATER

(To the tune of "There's a Tree in the Meadow")

There's a camp on a hillside,
With a stream rippling by,
And the campers when they leave all know,
They'll come back by and by.

We will always remember,
With a smile and a sigh,
That the friendships made all summer through,
Will last as time goes by.

We all had fun while we were here,
To that we'll all agree,
Here's hoping in another year,
We will each other see.

By the camp on the hillside,
Fond memories n'ere will part,
And as we grow old, it will be told,
Camp grows within our heart.

(Tune switches to "This is my Country")

So-here's to you Sag'naw,
Camp that we love,
Here's to you Sag'naw,
Blessed from above,

In this our Alma Mater,
All praises are due,
So here's to you Sag'naw,
A toast from the BLUE.

BLUE TEAM CHEER - 1955

Aspirin, emperin, alcohol, cotton,
The BLUES on top,
The reds forgotten,

We are determined to win the fray,
And this will be our victory day,

We've got the spirit, the will and might,
The reds are here but nowhere in sight,

The BLUE team acts with the finest precision,
So why delay with the final decision,

BLUE TEAM WINS

BLUE TEAM WINS

BLUE TEAM WINS

FIGHT BLUE FIGHT
